Cultural exchange between Sakai, Ibaraki and Argentina started in 1935, followed by being sister cities with Marikina, Philippines in 2017, and Honolulu, Hawaii in 2021.

Sakai Town has a great desire to deepen its friendship with these cities and countries thus hosting “The 1st Sakai Town International Children’s Art Exhibition.”

In connection with this, we are looking for children’s artworks to display for the said exhibition.

“Sakai Town International Children’s Art Exhibition” hopes not only to build a foundation for the creativity and rich emotion of the children who hold our future, but also to have a mutual understanding of different cultures, as well as contribute to the development of a society striving towards multicultural coexistence.
